# THE UNIVERSITY OF THE SOUTH PACIFIC SCHOOL OF DISTANCE EDUCATION BACHELOR OF SCIENCE DEGREE IN INFORMATION TECHNOLOGY

The University of the South Pacific (USP) is a multi-campus university serving the Pacific region. The School of Distance Education (SDE) is a part of USP that provides flexible learning opportunities for students who are unable to attend traditional face-to-face classes. The SDE offers a variety of programs, including the Bachelor of Science Degree in Information Technology.

The Bachelor of Science Degree in Information Technology is a four-year program that prepares students for careers in the information technology field. The program includes courses in computer science, mathematics, and business. Students who complete the program will be equipped with the skills and knowledge necessary to succeed in the rapidly changing technology industry.

The SDE provides a variety of support services to help students succeed in their studies. These services include academic advising, tutoring, and technical support. Students are encouraged to take full advantage of these services to ensure they are prepared for each class and assignment.

The SDE is committed to providing a high-quality education to all students. We strive to create a supportive learning environment where students can thrive. We offer a variety of resources and services to help students succeed, including online learning materials, virtual labs, and 24/7 technical support. We are proud to be a part of the USP community and look forward to helping you achieve your academic goals.

The SDE is a part of the University of the South Pacific, which is a member of the Association of Pacific Rim Universities (APRU). This membership ensures that our programs meet the highest standards of quality and are recognized internationally. We are committed to providing a world-class education to our students and to fostering global connections and collaboration.
