

INTERNATIONAL CONFERENCE ON ECONOMIC RECOVERY AND GROWTH

The International Conference on Economic Recovery and Growth is a biennial event that brings together leading economists, policymakers, and scholars from around the world to discuss the latest research and developments in the field of economic recovery and growth.

The conference is organized by the International Economic Association (IEA) and the International Labour Office (ILO). It is held in a different city each year, providing an opportunity for participants to visit and experience the host country.

The conference is open to all economists, policymakers, and scholars, regardless of their nationality or affiliation. It is a unique opportunity to engage in high-level discussions and to share ideas and experiences with colleagues from around the world.
