The diagram consists of three horizontal rows of rectangular blocks. Each block is a simple rectangle with a black outline.

- Row 1:** Contains 8 blocks arranged in a single group on the left side of the row.
- Row 2:** Contains 6 blocks arranged in a single group in the middle of the row.
- Row 3:** Contains 8 blocks arranged in a single group on the left side of the row.

There are significant gaps between the groups of blocks in each row and between the rows themselves.
