The diagram consists of four horizontal rows of rectangles. The first row has 7 rectangles, the second has 4, the third has 8, and the fourth has 10. Below each row of rectangles is a horizontal row of 10 small squares. In each of these rows, the first square is shaded in a darker color than the others.

The diagram consists of two rows of rectangles. The top row has 10 rectangles, and the bottom row has 8 rectangles. The rectangles are arranged in a staggered pattern, with some rectangles in the top row overlapping the bottom row and vice versa. This visual representation is used to illustrate the concept of a 10x8 matrix in linear algebra.
