A horizontal row of ten empty square boxes, followed by a colon, and another horizontal row of ten empty square boxes.

A decorative horizontal separator consisting of a series of rectangular boxes of varying widths, arranged in two rows. The top row contains four groups of boxes, each group separated by a small gap. The bottom row contains three groups of boxes, also separated by small gaps. The boxes are outlined in black and have a white fill.

A horizontal row of 24 small, square-shaped boxes arranged in a single line. Each box is either solid black or white, representing a binary digit (bit) in a sequence.

The image consists of three identical groups of ten empty rectangular boxes each. The boxes are white with black outlines and are arranged side-by-side in a horizontal row. There is a small gap between the three groups.
