The diagram illustrates three rows of data elements, represented by rectangular boxes:

- Row 1:** Contains two groups of boxes. The first group has 7 boxes, followed by a significant gap, and then a second group of 8 boxes.
- Row 2:** Contains two groups of boxes. The first group has 5 boxes, followed by a very large gap, and then a second group of 12 boxes.
- Row 3:** Consists of a single continuous row of 10 boxes.
