

The diagram illustrates the concept of place value by showing how numbers are represented using boxes. It consists of three rows:

- Row 1:** Shows the digits 0 through 9, each occupying one box.
- Row 2:** Shows two-digit numbers from 10 to 99, where each number occupies two boxes (one for tens and one for ones).
- Row 3:** Shows three-digit numbers from 100 to 999, where each number occupies three boxes (one for hundreds, one for tens, and one for ones).
