

The diagram illustrates the addition of three numbers by grouping their base-ten blocks:

- Row 1:** Represents the first number, 29. It consists of four groups: one group of 10 blocks (two tens rods), one group of 2 blocks (two ones units), another group of 2 blocks (two ones units), and a final group of 5 blocks (one ten rod and five ones units).
- Row 2:** Represents the second number, 17. It consists of two groups: one group of 7 blocks (one ten rod and seven ones units) and another group of 8 blocks (one ten rod and eight ones units).
- Row 3:** Represents the third number, 8. It consists of a single group of 8 blocks (one ten rod and eight ones units).
