

INTERNATIONAL CONFERENCE ON THE LAW OF THE SEA

The International Conference on the Law of the Sea was convened in Geneva, Switzerland, from 29 April to 10 May 1958. It was the first of a series of conferences on the law of the sea, and was held in response to the growing interest in the subject following the discovery of oil and gas in the North Sea and the development of offshore oil and gas fields in the North Atlantic.

The Conference was convened by the United Nations Secretary-General, Dag Hammarskjöld, and was held in Geneva, Switzerland, from 29 April to 10 May 1958. It was the first of a series of conferences on the law of the sea, and was held in response to the growing interest in the subject following the discovery of oil and gas in the North Sea and the development of offshore oil and gas fields in the North Atlantic.
