The image consists of three separate groups of five empty rectangular boxes. Each group is positioned horizontally and centered vertically relative to the other two groups. The boxes are thin and have a slight shadow at the bottom.

..... :

A horizontal sequence of 10 empty rectangular boxes, followed by a vertical冒号 (colon), and then another sequence of 10 empty rectangular boxes.

A horizontal sequence of fifteen empty square boxes arranged in two rows. The top row contains ten boxes, and the bottom row contains five boxes, separated by a vertical colon.

A horizontal row of fifteen empty square boxes. The first ten boxes are grouped together with a colon positioned to their right. To the right of the colon is a space containing five empty square boxes.

A horizontal sequence of 15 small rectangles followed by a colon, another sequence of 15 small rectangles, a diagonal slash, and a final sequence of 5 small rectangles.

□ □ □ □ □ □ □ : □ □ □ □ □ □ □ □ □ □

□ □ □ □ □ □ □ □ : □ □ □

A diagram consisting of three groups of five vertical bars each. The first group has all five bars filled. The second group has the first two bars filled and the next three empty. The third group has no bars filled.

A horizontal sequence of 15 empty rectangular boxes, followed by two vertical dots (:) indicating continuation, and then another sequence of 5 empty rectangular boxes.

A horizontal sequence of 11 small, empty rectangles, followed by a colon (:), and then another sequence of 5 small, empty rectangles.

A diagram consisting of 15 vertical bars arranged in a sequence. The bars are separated by three vertical dashed lines, creating four distinct groups. The first group contains 7 bars, the second contains 3 bars, the third contains a single colon character, the fourth contains 3 bars, and the fifth contains 3 bars.

A horizontal sequence of 10 small, light-gray rectangles. This sequence is followed by a vertical冒号 (colon) character, and then another identical sequence of 10 small rectangles.

A horizontal sequence of 24 small rectangles, each divided into two equal halves by a vertical line. The first 23 rectangles have their left half shaded black and their right half white. The 24th rectangle has its left half white and its right half shaded black. This sequence represents the binary number 1111111111111111111110.
