Diagram illustrating the decomposition of 100 into four groups of 25. The top row shows four groups of five squares each, representing 5 + 5 + 5 + 5 = 20. The bottom row shows four groups of ten squares each, representing 10 + 10 + 10 + 10 = 40. The total is 20 + 40 = 60. The caption indicates that the total number of squares is 100, suggesting the diagram is incomplete or the caption is a general statement.
