The diagram consists of four rows of empty rectangles. The first row contains 7 rectangles. The second row contains 8 rectangles. The third row contains 6 rectangles. The fourth row contains 3 rectangles. This visual representation corresponds to the number of digits in the binary representation of the numbers 1 through 15.

A horizontal sequence of 24 small, identical rectangular blocks arranged in a single row. The blocks are evenly spaced and have a consistent height and width, creating a uniform pattern.

A horizontal row of twelve empty square boxes, each with a thin black border, intended for children to write their names in.
