

The diagram illustrates the division of 20 by 5. It shows two rows of rectangular boxes. The top row has four groups of boxes with 5, 4, 3, and 2 boxes respectively. The bottom row has three groups of boxes with 6, 5, and 4 boxes respectively. This represents the division 20 ÷ 5 = 4, with a remainder of 4, which is then divided by 5 to get a remainder of 4.
