Q: How do you feel about the current situation? A: I feel very sad and worried. I hope everyone can understand my feelings and help me.

I am very grateful for your support and help. I will continue to work hard and improve myself.

Thank you very much for your kind words and encouragement. I will be brave and face all difficulties.

I will always remember your advice and support. I will be a better person than before.

I will try my best to do things well and make you proud of me.

I will be a more responsible and mature person. I will not let you down again.

I will be a more confident and independent person. I will be able to take care of myself.

I will be a more optimistic and positive person. I will see the bright side of everything.

I will be a more diligent and hardworking person. I will achieve my goals.

I will be a more kind and helpful person. I will be able to help others in need.
