The diagram illustrates the multiplication of 100 by 3. It shows three groups of 100, each represented by two rows of ten boxes. The first group has 10 boxes in the top row and 10 in the bottom row. The second group also has 10 boxes in the top row and 10 in the bottom row. The third group has 10 boxes in the top row and 10 in the bottom row. This represents 3 groups of 100, which equals 300.
