THE UNIVERSITY OF THE SOUTH PACIFIC
SCHOOL OF DISTANCE EDUCATION
B.S. IN BUSINESS ADMINISTRATION
FINANCIAL ACCOUNTING
COURSE DESCRIPTION

This course, Financial Accounting, is designed to provide students with a comprehensive understanding of the principles and practices of financial accounting. The course covers the fundamental concepts of accounting, including the accounting cycle, the double-entry system, and the preparation of financial statements. Students will learn how to analyze and interpret financial data, and how to apply accounting principles to various business transactions. The course is structured to provide a solid foundation for students who wish to pursue a career in accounting or finance.

The course is divided into several units, each focusing on a specific aspect of financial accounting. The units are designed to be completed in a sequential order, allowing students to build their knowledge and skills progressively.

The course is taught through a combination of lectures, seminars, and practical exercises. Students are encouraged to participate actively in the learning process and to apply their knowledge to real-world scenarios.

Students who complete this course successfully will be well-prepared to enter the workforce as accountants or financial analysts. The course also provides a strong foundation for students who wish to pursue further studies in accounting or finance.

The course is designed to be completed over a period of two semesters. Students are required to attend all lectures and seminars, and to complete all practical exercises. The course is assessed through a combination of written examinations, practical exercises, and a final project. Students who achieve a passing grade in the course will be awarded a certificate of completion.
