

# INTERNATIONAL CONFERENCE ON ECONOMIC RECOVERY AND DEVELOPMENT

The International Conference on Economic Recovery and Development is a major international forum for the exchange of views and information on the state of the world economy and the prospects for recovery and development. It is organized by the International Labour Office (ILO) in cooperation with the United Nations Development Programme (UNDP) and the World Bank.

The Conference is held annually in Geneva, Switzerland, and is open to all countries. It provides a unique opportunity for government officials, economists, and other experts to discuss the latest developments in the world economy and to share their views on the challenges facing the world. The Conference also provides a platform for the presentation of research papers and the discussion of policy options.

The Conference is organized by the International Labour Office (ILO) in cooperation with the United Nations Development Programme (UNDP) and the World Bank. The ILO is the leading international organization for promoting decent work and social justice. UNDP is the United Nations' development arm, and the World Bank is the largest international financial institution.

The Conference is held in Geneva, Switzerland, which is a major international center for economic and social activity. Geneva is home to many international organizations, including the United Nations, the World Health Organization, and the International Committee of the Red Cross. The city is also known for its beautiful lakes and mountains.

The Conference is a major event in the international calendar. It attracts thousands of participants from all over the world. The Conference is held in a grand hotel, and the program is very comprehensive. It includes plenary sessions, workshops, and round tables. The Conference is also accompanied by a series of side events, including seminars and conferences.

The Conference is a unique opportunity for the international community to come together and discuss the state of the world economy and the prospects for recovery and development. It is a platform for the exchange of views and information, and for the sharing of experiences and best practices. The Conference is also a major event in the international calendar, and it is attended by thousands of participants from all over the world.
