The diagram illustrates a sequence of 16 empty rectangular boxes arranged in two rows. The top row consists of 10 boxes, while the bottom row has 11 boxes. The boxes are separated by thin vertical lines. In the top row, there are four distinct groups: a group of 5 boxes on the left, a group of 2 boxes in the middle, a group of 3 boxes on the right, and another group of 2 boxes at the far right. A single vertical line separates the first group from the second, and another vertical line separates the third group from the fourth. In the bottom row, the first six boxes form one group, followed by a colon (:) character, and then five more boxes to the right.
