The diagram illustrates the division of 24 into 4 groups of 6. It consists of four rows of boxes. The first three rows each contain 6 boxes, representing groups of 6. The fourth row contains 1 box, representing a remainder of 1. This visual representation corresponds to the division equation $24 \div 4 = 6 \text{ R } 1$.

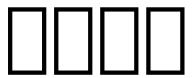

The diagram consists of two rows of rectangles. The top row has five groups of three rectangles each. The bottom row has three groups of four rectangles each, with the middle group having only three rectangles. The rectangles are outlined in black and have a white fill.
