The diagram consists of two rows of rectangles. The top row contains twelve rectangles arranged in four groups of three. Each group is separated from the others by a comma. The bottom row contains fifteen rectangles arranged in five groups of three. Each group is separated from the others by a comma.

The image displays a binary sequence across three horizontal rows. The first row contains 10 binary digits (bits). The second row contains 10 bits. The third row contains 8 bits. Each bit is represented by a vertical bar of a specific height, where a height of 1 unit corresponds to a '0' and a height of 2 units corresponds to a '1'. The sequence starts with a '1' in the first row, followed by '0', '1', '0', '1', '0', '1', '0', '1', '0' in the first row; '0', '1', '0', '1', '0', '1', '0', '1', '0', '1' in the second row; and '1', '0', '1', '0', '1', '0', '1', '0' in the third row.
