THE UNIVERSITY OF THE SOUTH PACIFIC SCHOOL OF DISTANCE EDUCATION BACHELOR OF SCIENCE DEGREE IN INFORMATION TECHNOLOGY PROGRAM

The University of the South Pacific (USP) is a public university located in Suva, Fiji. It is the largest and oldest university in the Pacific region. The University was established in 1968 and has since grown to become a leading institution of higher learning in the Pacific. The University offers a wide range of undergraduate and postgraduate programs in various fields of study. The School of Distance Education (SDE) is one of the schools within the University, offering a variety of distance learning programs. The SDE is committed to providing quality education to students who are unable to attend traditional on-campus programs. The SDE offers a Bachelor of Science Degree in Information Technology, which is a four-year program. The program is designed to provide students with the knowledge and skills necessary to enter the information technology workforce. The program includes courses in computer science, mathematics, and business. The SDE also offers a variety of support services to its students, including academic advising, career counseling, and financial aid. The SDE is a member of the Association of Pacific Rim Universities (APRU) and the Association of South Pacific Universities (ASPU).
