

A horizontal row of nine empty rectangular boxes, each with a black border, intended for handwritten responses.

100

Six empty rectangular boxes for writing, arranged horizontally.

Five empty rectangular boxes for writing, arranged horizontally.

A horizontal row of 10 empty rectangular boxes, likely for a list of 10 items. To the right of this row is a short horizontal line, and further to the right are three more empty rectangular boxes, possibly for a list of 13 items.

The diagram consists of two rows of rectangles. The top row contains six groups of three rectangles. The bottom row contains two groups of five rectangles each, with the second group being partially cut off on the right. This visual representation is used to illustrate the division of 15 by 3, resulting in 5, and then dividing 5 by 3, resulting in 1 with a remainder of 2.

A 2x10 grid of 20 empty rectangular boxes, arranged in two rows of ten. The boxes are outlined in black and have a white interior. They are evenly spaced both horizontally and vertically.
