The diagram illustrates the addition of three numbers represented by rectangles:

- Row 1:** Two groups of 7 rectangles each, totaling 14.
- Row 2:** Four groups of 10, 4, 2, and 10 rectangles, totaling 26.
- Row 3:** One group of 5 rectangles, totaling 5.

When combined, there are 45 rectangles in total, which corresponds to the sum $14 + 26 + 5 = 45$.
