The diagram illustrates the decomposition and recombination of rectangles. It shows a 2x10 rectangle being broken down into two 2x5 rectangles, which are then further divided into 1x1 and 1x2 blocks. The process is reversed in the bottom row, where 1x1 and 1x2 blocks are combined to form the original 2x10 rectangle, with a minus sign indicating the subtraction of blocks.

A series of empty rectangular boxes arranged in four rows. The first row has 10 boxes. The second row has 5 boxes. The third row has 12 boxes. The fourth row has 6 boxes, ending with an exclamation mark.

The diagram consists of a horizontal row of 15 empty rectangular boxes. The 15th box from the left is highlighted with a blue outline, while the other 14 boxes are in black and white.

A horizontal row of ten empty rectangular boxes, intended for children to draw or write in. They are arranged in a single line, with a small gap between each box.
