The diagram consists of four horizontal rows of rectangles. The top row has four groups of rectangles separated by small gaps. The first group contains 6 rectangles, the second group contains 7 rectangles, the third group contains 6 rectangles, and the fourth group contains 3 rectangles. All rectangles are outlined in black and have a white interior.

The diagram consists of 10 rows of 10 empty rectangles each, forming a 10x10 grid. The first five rows are colored: the first row is purple, the second is light blue, the third is light green, the fourth is light red, and the fifth is light orange. The remaining five rows are white. This visual representation is used to illustrate the concept of 100 in various numerical bases.
