The diagram consists of two rows of boxes. The top row contains 10 empty boxes arranged in a single horizontal line. The bottom row contains 5 groups of 2 boxes each, with a small circle centered between the first and second groups. This visual representation is used to illustrate the concept of a 10th root in mathematics, where the 10 boxes represent the total number of terms and the 5 groups represent the grouping of terms.

Слово «богатство» включает в себя не только материальные ценности, но и духовные, а также социальные и политические. Оно означает не только наличие денег, но и способность влиять на людей, на общественное мнение, на политическую власть. Более того, богатство может быть не только материальным, но и духовным, социальным и политическим. Это означает, что богатство - это не только материальные ценности, но и духовные, а также социальные и политические.
