The diagram illustrates a sequence of data elements represented by rectangular boxes, organized into three horizontal rows:

- Row 1:** Contains two identical groups of seven boxes each, with a significant gap between the two groups.
- Row 2:** Contains four groups of boxes with lengths of 8, 4, 2, and 3 boxes respectively, separated by gaps.
- Row 3:** Contains two groups of boxes with lengths of 6 and 3 boxes, separated by a gap.
