The diagram illustrates the number 100 as a collection of squares arranged in two rows. The top row consists of four identical 5x5 grids, each containing 25 squares. The bottom row consists of one 5x5 grid followed by a 5x10 grid, which is composed of two 5x5 grids placed side-by-side. This visual representation shows that 100 is equal to 4 times 25, or 1 times 25 plus 3 times 25, or 1 times 25 plus 1 times 25 plus 1 times 25 plus 1 times 25.
