The image displays a binary sequence across three horizontal rows. The top row contains 10 binary digits (bits), the middle row contains 10 bits, and the bottom row contains 8 bits. Each bit is represented by a vertical bar of a specific height, where a height of 1 unit indicates a '0' and a height of 2 units indicates a '1'. The sequence starts with a '1' in the top row, followed by '0's, then a '1', then '0'. The middle row follows a similar pattern with a '1' at the start, followed by '0's, then a '1', then '0's, then a '1', then '0's, then a '1', then '0', then a '1', then '0'. The bottom row starts with a '0', followed by '1's, then '0's, then '1's, then '0's, then '1's, then '0', then '1', then '0', then '1'.
