

THE UNIVERSITY OF CHICAGO

PH.D. PROGRAM IN POLITICAL SCIENCE

The Department of Political Science at the University of Chicago is pleased to announce the appointment of a new faculty member to the position of Associate Professor of Political Science. The successful candidate will be responsible for teaching and supervising graduate students in the area of comparative politics and international relations. The candidate should have a Ph.D. in a related field and a strong record of research and teaching. Applications should be sent to the Department of Political Science, 540A South East Asia Building, 1207 East 59th Street, Chicago, IL 60637. For more information, please contact the Department Secretary at (773) 936-7200.

The University of Chicago is an equal opportunity institution. Minorities and women are encouraged to apply. The University is committed to the highest standards of academic excellence and to the promotion of a diverse and inclusive community.

The University of Chicago is a leading center of research and learning in the social and behavioral sciences. Our faculty members are world-renowned in their fields, and our students are among the best in the world. We are seeking a new faculty member who will contribute to our tradition of excellence and to the advancement of knowledge in the field of political science. The successful candidate will be expected to publish in leading journals and to participate in the University's research programs. The University offers a highly competitive salary and benefits package, and a supportive environment for research and teaching.

The University of Chicago is a member of the Association of American Universities and the Association of Political Science Societies. We are proud to be part of a community of leading scholars and students. The University is committed to the highest standards of academic excellence and to the promotion of a diverse and inclusive community. We are seeking a new faculty member who will contribute to our tradition of excellence and to the advancement of knowledge in the field of political science.
