The image displays a sequence of binary digits (0s and 1s) arranged in three horizontal rows. The first row contains 10 digits, the second row contains 11 digits, and the third row contains 12 digits. Each digit is represented by a small square. The sequence starts with a 1 in the first row, followed by a 0, then a 1, then a 0, and so on. The second row starts with a 0, followed by a 1, then a 0, then a 1, and so on. The third row starts with a 1, followed by a 0, then a 1, then a 0, and so on. The digits are arranged in a staggered pattern, with each row offset from the one above it.
